

Thank you for choosing Aftercare Cremation. We offer families an affordable alternative to the high costs of funeral services and funeral homes. We are a non-traditional direct cremation provider specializing in simple/direct cremation. We call ourselves “non-traditional” because most of our families complete the arrangements by phone, email and fax. Our website also allows families to make arrangements almost completely on-line.

Aftercare cremation was created to help the needs of those families that desire direct/simple cremation. You and your loved one will be treated with the dignity and compassion that is needed during this difficult time.

Many people choose cremation for different reasons: some people feel it's an eloquent, yet simpler tribute. Whatever your reasons, we'd like you to know that simple/direct cremation is something we specialize in.

We are available to you 24/7 please do not hesitate to contact us at any time.
